

Post-event Report

Title of the Program: World Kidney Day – Awareness Quiz on “Nephrotoxins around us”

Date : 2th March 2026

Time : 2:00 PM – 4:00 PM

Participants : MBBS students, faculty members and staff

Program:

The programme was organised by the Department of Community Medicine in collaboration with the Departments of Forensic Medicine & Toxicology and Nephrology, Malabar Medical College Hospital and Research Centre, Calicut.

As a part of the program an interactive “Nephrotoxins Around Us” quiz was conducted by the Department of Forensic Medicine & Toxicology, with Dr. Neena Priyadarshini A.V., Professor of Forensic Medicine as the Quiz Master.

Objectives:

- To create awareness about common nephrotoxins and their effects on kidney health.
- To promote preventive measures against kidney damage.
- To reinforce awareness through an interactive quiz.

Program Outcomes:

- Participants gained awareness about common nephrotoxic substances encountered in everyday life.
- The quiz encouraged active participation and reinforced the key messages of the awareness talk.
- The programme enhanced awareness about prevention of kidney injury and the importance of maintaining kidney health.
