REPORT ON CAREER GUIDANCE PROGRAM ON "HOW TO TACKLE NEET PG EXAMS"

Date: 19-01-2023

Time: 3.00PM onwards

Topic: How to tackle NEET-PG Exams

Target group / audience: Second and third year MBBS Students

Number of participants:

Minutes of the program:

The career guidance program titled "How to Tackle NEET PG Exams" was successfully held on January 19, 2023, at Emerald Hall, Malabar Medical College Hospital and Research Centre. The session commenced promptly at 3:00 PM and witnessed enthusiastic participation from students keen to refine their NEET PG exam preparation strategies.

The event began with an eloquent welcome address by Dr. Narayanan PV, our Principal, who underscored the significance of strategic preparation for competitive examinations such as NEET PG.

Dr. Rahul Rajeev, a distinguished Neurologist and Faculty member of Doc Tutorials, delivered a comprehensive and insightful presentation. He covered a wide array of topics including effective study methodologies, optimal time management strategies, and a thorough understanding of the exam pattern.

The presentation was followed by an engaging interactive Q&A session. Students actively participated, posing pertinent questions which Dr. Rahul Rajeev addressed with practical advice and motivational insights.

The event was a great success, equipping students with essential guidance and motivation to approach the NEET PG examinations with renewed confidence. The feedback from attendees was also positive, with many appreciating the practical tips and strategies shared during the session.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 24-11-2022

Time: 2.00PM – 4.00PM

Topic: Good clinical practice and doctor patient relationship

Target group / audience: FIRST YEAR MBBS STUDENTS

Number of participants: 200

Minutes of the program:

The career guidance program on "Good Clinical Practice & Doctor-Patient Relationship" was organized with the primary objective of educating first-year MBBS students on the essential principles of clinical practice and fostering effective doctor-patient relationships.

The session commenced promptly at 2:00 PM with an introduction by Dr. Narayanan P.V., Principal, who provided an overview of the importance of good clinical practice and emphasized the significance of establishing strong doctor-patient relationships in medical practice.

The program began with an in-depth discussion on good clinical practices, principles, including ethical guidelines, patient safety, and regulatory requirements. Speakers highlighted strategies to build trust and effective communication with patients, enhancing understanding of their needs and ensuring informed consent. Interactive case studies and role-playing exercises were conducted to simulate real-world scenarios, allowing students to apply theoretical knowledge to practical situations.

The session concluded with a feedback session where students shared their insights and raised questions. Valuable feedback was received from participants, indicating a positive reception and the effectiveness of the program.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 18-11-2022

Time: 2.00 PM – 4.00 PM

Topic: VARIOUS CAREER PATHWAYS AND OPPORTUNITIES FOR PERSONAL GROWTH

Target group / audience: FINAL YEAR MBBS STUDENTS

Number of participants: 200

Minutes of the program:

The career guidance program titled “Various Career Pathways and Opportunities for Personal Growth-Offline and Online” was successfully held on November,18,2022, at CME Hall, Malabar Medical College Hospital and Research Centre. The session commenced promptly at 2:00 PM and witnessed enthusiastic participation from students keen to refine their career pathways

The event began with an eloquent welcome address by Dr. Narayanan PV, our Principal.

The presentation was followed by an engaging interactive Q&A session. Students actively participated, posing pertinent questions which were addressed with practical advice and motivational insights. The event was a great success, equipping students with essential guidance and motivation to approach the future challenges with a renewed confidence. The feedback from attendees was also positive, with many appreciating the practical tips and strategies shared during the session.

REPORT ON RESEARCH METHODOLOGY WORKSHOP

Date: 04-07-2022 to 06-07-2022

Time: 8.00AM – 4.00 PM

Topic: RESEARCH METHODOLOGY WORKSHOP

Target group / audience: PG Residents

Number of participants: 40

Minutes of the program:

The Department of Community Medicine successfully conducted a three-day Research Methodology Workshop from July 4 to July 6, 2022. Aimed at postgraduate (PG) residents, the workshop provided in-depth training on essential research methodologies, with full participation from all 40 attendees.

Day 1 began with a session on the fundamentals of research, including formulating research questions, and the structure of a research protocol. Dr. Kanniyam Binub and Dr. Remya Ramachandran led these sessions, setting a solid foundation for the participants. Following a tea break, Dr. Anuradha M discussed medical ethics and ethical clearance, while Dr. Laxmi C provided guidelines on protocol submission. The afternoon covered literature reviews, descriptive and analytical study designs, and included a group activity on formulating research topics and objectives.

Day 2 focused on experimental study design, data collection basics, and sampling methods. Dr. Krishnaraj J S and Dr. George P Jacob delivered sessions on these topics, with additional focus on sample size calculation and questionnaire preparation. The practical aspects were addressed through hands-on sessions with MS Excel and discussions on plagiarism and library resources.

Day 3 featured sessions on SPSS and inferential statistics, led by Dr. Swathi C and Dr. Biju George. Participants engaged in data analysis and referencing style workshops, followed by group activities on protocol preparation and presentation. The event concluded with a doubt-clearing session and a valedictory function.

The workshop received positive feedback for its comprehensive coverage and interactive approach, effectively enhancing the participants' research skills. The hands-on experience with various tools and methodologies equipped the residents with practical knowledge essential for their academic and professional growth.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 17-02-2022

Time: 12.00PM – 1.00PM

Topic: PRINCIPLES OF FAMILY PRACTICE

Target group / audience: THIRD AND FINAL YEAR MBBS STUDENTS

Number of participants: 290

Minutes of the program:

The career guidance program on "**Principles of Family Practice**" aimed to educate MBBS students about fundamental principles and ethical considerations in family practice.

Dr. Narayanan PV provided an overview of family practice, emphasizing the importance of comprehensive patient care, continuity of care, and the role of family physicians in primary healthcare.

The session included discussions on ethical dilemmas commonly faced in family practice, emphasizing patient confidentiality, informed consent, and cultural sensitivity. Students actively participated in interactive discussions, sharing their perspectives and engaging in Q&A sessions with Dr. Narayanan PV.

The session concluded with positive feedback from participants, highlighting their enhanced understanding of the principles discussed and their relevance to future medical practice.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 18-02-2022

Time: 10.00AM – 12.00PM

Topic: VARIOUS CAREER PATHWAYS – DR KARTHIKEYA VARMA MBBS, MD, FARCS

Target group / audience: FIRST AND SECOND YEAR MBBS STUDENTS

Number of participants: 300

Minutes of the program:

The session commenced with an introduction by Dr. NARAYANAN PV, PRINCIPAL who emphasised the importance of exploring diverse career pathways in the medical field. Dr. Karthikeya Varma delivered an insightful keynote address on various career pathways available to medical graduates. Drawing from his extensive experience in pediatric surgery and healthcare leadership, he highlighted opportunities in clinical practice, research, academia, and hospital administration. A panel of experienced healthcare professionals, including Dr. Varma, engaged in a lively discussion on career choices and pathways. Topics included challenges and rewards in different specialties, skills required for success, and the evolving landscape of healthcare. The session concluded with an interactive Q&A session, where students posed questions to Dr. Varma and the panelists. Discussions ranged from specific career advice to broader considerations in navigating a medical career.

The career guidance program on "Various Career Pathways" provided valuable insights and inspiration to first and second year MBBS students, equipping them with knowledge to make informed decisions about their future careers in medicine. Dr. Karthikeya Varma's expertise and the panel discussion enriched the learning experience, fostering a deeper understanding of the diverse opportunities within the medical profession.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 12-02-2021

Time: 12.00PM – 1.00PM

Topic: GOOD CLINICAL PRACTICE

Target group / audience: FIRST AND SECOND YEAR MBBS STUDENTS

Number of participants: 369

Minutes of the program:

The career guidance program on "**GOOD CLINICAL PRACTICE**" aimed to educate MBBS students on the essential principles of clinical practice.

The session commenced promptly at 2:00 PM with an introduction by Dr Narayanan PV, Principal, who provided an overview of the importance of good clinical practice and emphasized the significance of establishing strong doctor-patient relationships in medical practice.

The program began with an in-depth discussion on good clinical practices, principles, including ethical guidelines, patient safety, and regulatory requirements. Speakers from various departments like emergency medicine, general surgery and forensic medicine, highlighted strategies to build trust and effective communication with patients, enhancing understanding of their needs and ensuring informed consent. Interactive case studies and role-playing exercises were conducted to simulate real-world scenarios, allowing students to apply theoretical knowledge to practical situations.

The session concluded with a feedback session where students shared their insights and raised questions. Valuable feedback was received from participants, indicating a positive reception and the effectiveness of the program.

REPORT ON CAREER GUIDANCE PROGRAM ON - HOW TO PREPARE FOR NEET PG EXAMS

Date: 09-02-2021

Time: 2.00PM to 3.00 PM

Topic: HOW TO PREPARE FOR NEET PG EXAMS

Target group / audience: THIRD AND FINAL YEAR MBBS Students

Number of participants: 250

Minutes of the program:

The career guidance program titled "How to Tackle NEET PG Exams" was successfully held on February 9, 2021, at RUBY Hall, Academic Block, Malabar Medical College Hospital and Research Centre. The session commenced promptly at 2:00 PM and witnessed enthusiastic participation from students keen to refine their NEET PG exam preparation strategies.

The event began with an eloquent welcome address by Dr. Narayanan PV, our Principal, who underscored the significance of strategic preparation for competitive examinations such as NEET PG.

Members of the Medical Education Unit covered a wide array of topics including effective study methodologies, optimal time management strategies, and a thorough understanding of the exam pattern.

The presentation was followed by an engaging interactive Q&A session. Students actively participated, posing pertinent questions which were addressed with practical advice and motivational insights.

The event was a great success, equipping students with essential guidance and motivation to approach the NEET PG examinations with renewed confidence. The feedback from attendees was also positive, with many appreciating the practical tips and strategies shared during the session.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 30-08-2019

Time: 2.00PM – 3.00PM

Topic: CAREER PATHWAYS

Target group / audience: THIRD AND FINAL YEAR MBBS STUDENTS

Number of participants: 294

The Career Guidance Program was conducted to assist third and final year MBBS students in exploring and understanding various career pathways available within the medical field. The session aimed to provide valuable insights into different career options, including clinical practice, research, and academia, among others.

The session began with a comprehensive presentation on various career pathways available for MBBS graduates, including specialties, sub-specialties, and non-clinical roles. The presentation was designed to give students a broad overview of potential career options and the qualifications and experiences required for each. Following the presentation, a Q&A session allowed students to ask specific questions about different career options. Topics of interest included residency programs, research opportunities, and balancing clinical practice with academic pursuits. Students appreciated the clarity and depth of information provided. The Q&A session was particularly well-received, with many students valuing the opportunity to get personalized advice. The event was well-received, and the feedback collected will be used to improve future career guidance initiatives. The event was well-received, and the feedback collected will be used to improve future career guidance initiatives.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 07-08-2019

Time: 2.00PM – 3.00PM

Topic: ALTERNATE SYSTEMS OF MEDICINE

Target group / audience: FIRST AND SECOND YEAR MBBS STUDENTS

Number of participants: 300

On August 7, 2019, a career guidance program focused on “Alternate Systems of Medicine” was conducted from 2:00 PM to 3:00 PM. The event aimed to broaden the knowledge and career options for first and second-year MBBS students by introducing them to various alternate medicine practices beyond conventional Western medicine.

The program witnessed active participation from 300 MBBS students, reflecting their keen interest in exploring diverse medical fields. The session was led by Dr. Narayanan PV and panellists included Dr. Gomathy, Dr. Ravindran M K, Dr. Jipin, Dr. Sheeba, Dr. Aarabhi.

Dr. Narayanan began the session by outlining the fundamentals of several alternate systems of medicine. He also emphasized the growing recognition of alternate medicine systems and their integration into mainstream healthcare. He addressed how knowledge in alternate medicine could complement MBBS training, offering additional treatment options and enhancing patient care.

The program concluded with a Q&A session, where students engaged actively, seeking clarity on various aspects of alternate medicine and its application in clinical settings. The interactive nature of the session allowed students to explore their interests and consider how alternate medicine might fit into their future careers.

Feedback from the participants was overwhelmingly positive, with many appreciating the expanded perspective on medical practice and career opportunities. The event successfully achieved its objective of informing and inspiring students about alternate systems of medicine, encouraging them to explore and integrate diverse medical approaches in their professional journey.

In summary, the career guidance program provided valuable insights into alternate systems of medicine, broadening the students' understanding and potential career paths within the medical field.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 15.03.2019

Time: 12.00PM – 1.00PM

Topic: PERSONAL GROWTH & DEVELOPMENT OF CAREER

Target group / audience: FIRST AND SECOND YEAR MBBS STUDENTS

Number of participants: 300

Minutes of the program:

On March 15, 2019, a career guidance program entitled "Personal Growth & Development of Career" was conducted from 12:00 PM to 1:00 PM, targeting first and second-year MBBS students. The session, designed to offer valuable insights into career advancement and personal development, attracted a total of 300 participants.

The program was facilitated by Dr Narayanan PV, Principal and panellists from various departments including Dr Mirvaz,,Dr Shameem, Dr Bavith, and Dr LaxmiNath. The discussion was geared towards helping students understand the importance of personal growth in shaping their professional paths and achieving long-term career success. Dr. Shameem began by emphasizing the significance of self-awareness in personal growth. he provided strategies for self-assessment and reflection, enabling students to identify their strengths, weaknesses, and areas for improvement. The session included practical advice on setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals. Dr. Mirvaz guided students on how to formulate clear career objectives and create actionable plans to achieve them.

Dr. Bavith discussed the importance of continuous skill development and provided tips on acquiring new competencies relevant to their medical careers. He highlighted various resources and opportunities for skill-building, including workshops, online courses, and mentorship programs. The program covered strategies for effective networking, including the importance of building professional relationships and leveraging them for career growth. Dr. Laxminath shared techniques for networking both within and outside the medical field. Recognizing the challenges of balancing a demanding career with personal life, Dr. Narayanan offered practical advice on maintaining a healthy work-life balance and managing stress effectively.

The session was highly interactive, with Q&A sessions and real-life scenarios to illustrate key points. Students actively participated, raising questions and sharing their aspirations and concerns regarding their career trajectories. Feedback from participants was highly positive, with many students expressing appreciation for the actionable insights and practical advice provided. The program successfully achieved its goal of equipping students with essential tools and strategies for personal growth and career development.

REPORT ON CAREER GUIDANCE PROGRAM

Date: 26.08.2018

Time: 12.00PM – 1.00PM

Topic: AWARENESS OF SIGNIFICANCE OF DOCUMENTATION IN PATIENT CARE

Target group / audience: THIRD AND FINAL YEAR MBBS STUDENTS

Number of participants: 300

Minutes of the program:

On August 26, 2018, a comprehensive career guidance program was conducted on the topic "Awareness of Significance of Documentation in Patient Care" from 12:00 PM to 1:00 PM. The program was aimed at third and final year MBBS students, with a total of 300 participants in attendance. The session featured a distinguished panel of experts including Dr. Dinesh Kumar, Deputy Medical Superintendent, along with Dr. Megha, Ms. Sheeba, Mrs. Saritha, Mrs. Siji, and Mrs. Priya.

Dr. Dinesh Kumar, the primary speaker, provided an in-depth presentation on the critical role that accurate and comprehensive documentation plays in patient care. Dr. Dinesh highlighted the vital role of documentation in maintaining patient safety, ensuring continuity of care, and providing legal protection. He stressed the necessity of detailed records for effective communication and clinical decision-making.

The session covered different forms of medical documentation including patient histories, treatment plans, progress notes, and discharge summaries. The presentation included an overview of legal responsibilities and ethical considerations related to medical documentation. Dr. Dinesh discussed the consequences of inadequate records and the importance of maintaining patient confidentiality. He offered practical tips for enhancing documentation skills, such as utilizing standardized forms, adopting electronic health records (EHR) systems, and avoiding common documentation errors.

The panel also included insights from other experts:

Dr. Megha shared her experience on integrating documentation practices with patient care protocols. Ms. Sheeba provided practical demonstrations of effective documentation techniques in a clinical setting. Mrs. Saritha discussed the role of documentation in multidisciplinary care and communication. Mrs. Siji offered guidance on maintaining accurate records in challenging or complex cases. Mrs. Priya highlighted the impact of documentation on patient outcomes and healthcare quality.

Dr. NARAYANAN P.V.
BSc, M.B.S., MD, DHA
Principal
Malabar Medical College Hospital &
Research Centre, Ulliyeri, Kozhikode

The interactive nature of the session allowed students to engage with the experts through a Q&A segment, where they discussed real-world scenarios and clarified doubts regarding documentation practices. The feedback from participants was overwhelmingly positive, with many students acknowledging a newfound understanding of the significance of documentation in their future medical careers.
