

POST- EVENT REPORT

Event : World No Tobacco Day Quiz 2025

Date : 31st May 2025

Organized by: Department of Forensic Medicine, as part of the World No Tobacco Day program coordinated by the Department of Community Medicine, Malabar Medical College Hospital & Research Centre, Calicut.

Participants: MBBS batch 2023 students (4 teams of 3 students each)

Theme: “Unmasking the Appeal: Exposing Industry Tactics on Tobacco and Nicotine Products”.

The quiz had 5 rounds of direct question for all the teams and additional information were provided with each question. It served both an educational and competitive purpose. It engaged students in thoughtful discussion, quizzing them on topics such as deceptive marketing strategies, harmful health effects of tobacco, and global tobacco control efforts.

Prizes were graciously awarded to the top-performing teams.

Conclusion:

The quiz was an engaging and informative event that highlighted the dangers of tobacco use and the deceptive tactics of the tobacco industry. It motivated students to support the vision of a healthier, tobacco-free society.
