

FACULTY DEVELOPMENT PROGRAMME

An initiative by the Medical Education Unit, under the guidance of Dr. P.V Narayanan(Principal), started a Faculty Development Programme, so that the medical college faculties are sensitized about various newer components of CBME.

The first programme was conducted on **March 8th,2022**.

Topic : **Clinical Clerkship**

Speaker : Dr Rijesh- MEU Resource Faculty.

Phase2 and phase 3 clinical department academic coordinators and HODs attended the sensitization programme. A log book template was also introduced to them regarding the same programme.

The second programme was conducted on **April 29th, 2022.**

Topic : **Clinical skill simulation in CBME**

Speaker : Dr. Harris Paravengal, Associate Professor Surgery.

Phase 2 and Phase 3 faculties attended the programme. Demonstration of Suturing skills were also shown. Utilization of the skill lab was also encouraged.

Next programme is planned for all the faculties. Topic: **Mentorship.**
