Dr Sily Sreedharan, MEU coordinator, congratulated and welcomed the students to Phase - II and also oriented the students regarding the new **CBME 2024 Guidelines**. **Dr Aswathy, Assistant Professor Pharmacology Phase 2 coordinator** guided them through the **academic calendar** planned for the year.

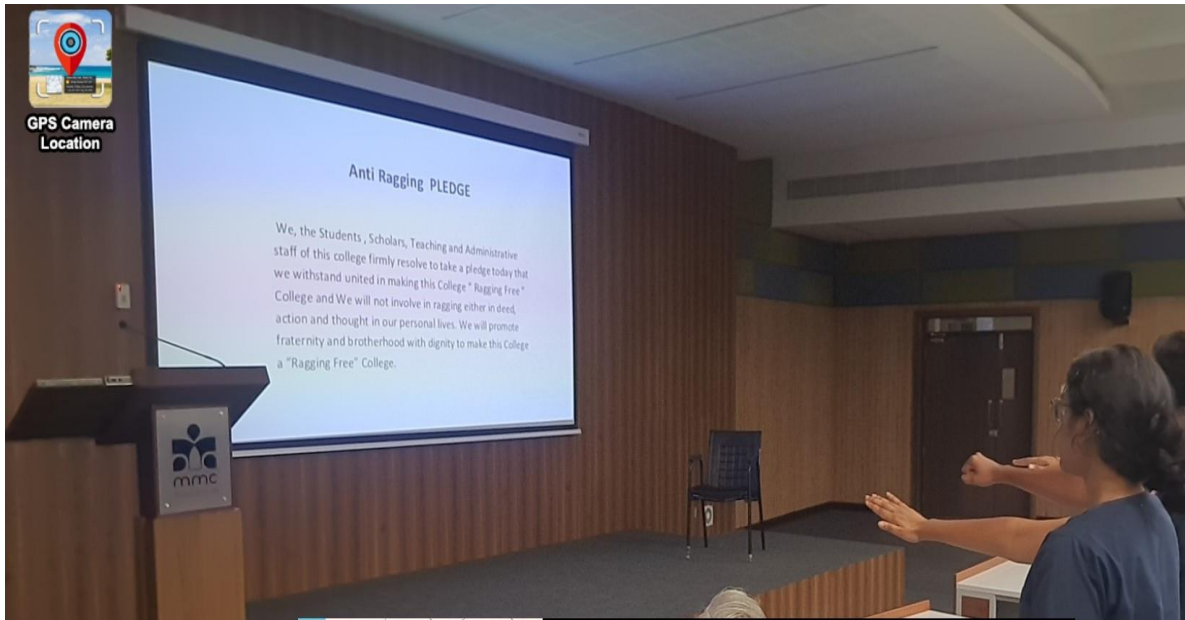

Vice Principal, Dr Rijesh emphasized the importance of self-directed learning in medical education.

He emphatically stated that the college has **zero tolerance for ragging** and stringent action will be taken against the students who don't follow the rules.

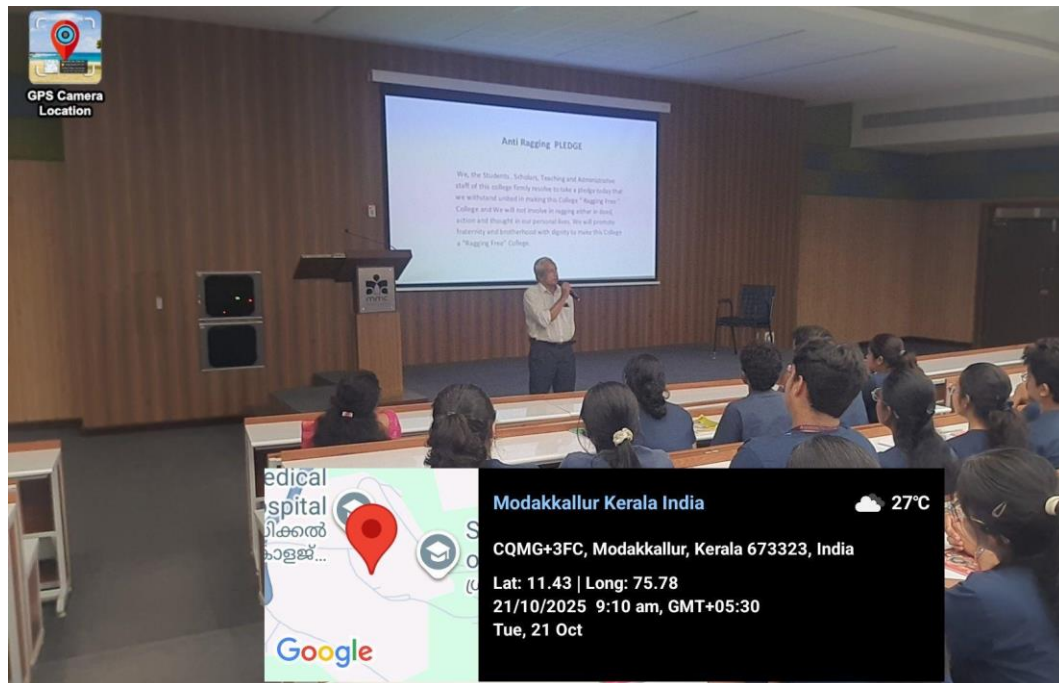

Antiragging pledge was taken by students.

Phase -2 HODs - Dr Rajeevan - HOD Pathology, Dr Shylaja - HOD Microbiology, Dr Paul - Professor Pharmacology, Dr George - HOD Community Medicine, Dr Thomas Mathew - HOD Forensic Medicine emphasized to the students the need to attend classes regularly and clarified

all the eligibility criteria along with the need of documentation in the form of Log Books.

Clinical department orientation was given by **Dr Lakshmi, Professor OBG** & **Dr Rijesh, Professor Orthopedics**.

Students were also oriented to their **clinical rotations and clerkships**.

The afternoon session was shared by Phase 2 faculties where the students were made aware of the academic activities conducted by all the departments.
