O R D E R

After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18<sup>th</sup> September, 2014. These clarifications shall be read into the said order as if they were always part thereof : -

1. The order dated 18<sup>th</sup> September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18<sup>th</sup> September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18<sup>th</sup> September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in

favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18<sup>th</sup> September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18<sup>th</sup> September, 2014 shall

have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities.

W.P. (C) 836/2014

Learned counsel for the petitioner seeks permission to withdraw the petition. Permission is granted to withdraw the same.

The Writ Petition is, accordingly, dismissed as withdrawn.
